Electricals for the hotel guest room

RELAX, IT'S COVERED

With decades of experience in designing and manufacturing electrical products for the hotel industry, we understand what is required for our customers. Our products are designed specifically to withstand the conditions of hotel and hospitality use. Our customers understand that the value is best analysed over the cost of a product's whole life cycle. Our 3 year electrical guarantee supports this philosophy.

3 Year Guarantee

3 Year Electrical Guarantee applies to all mains operated electrical items.

WELCOME TO CORBY OF WINDSOR

Incorporated originally by Mr John Corby in Windsor, England 1930, Corby began life as a manufacturer of garment care products notably the trouser press. Over the years we have progressed into the manufacture of electrical products within the garment care category and we proudly became a household name in the 1980s as our products found their places into thousands of hotels around the world.

Corby of Windsor supply to over 60 countries worldwide and are specified in many international hotel chains. We ensure our products are produced to a consistent standard, appropriately accredited and certified for the markets they serve.
